

# Outdoor laser tag team breakups

Cedar Galleries at Calliope can offer round robin laser tag events suited to large not-for-profit groups, perfect for breakups and you can even squeeze in team presentations if you're quick.

You'll get use of our undercover function space with tables and chairs and a huge fridge for 2.5 hours in total. You can bring drinks and snacks but you can't cook on the premises. But you can bring pizza if you like.

You may have between 10 and 40 players for a single fixed session price of \$300.

The laser tag is limited to 2 hours including the briefing. Large groups will get less field time per player. You choose whether to include just the team members, or invite their siblings and/or parents to play as well.

This is available for adult sports teams too and we're a BYO venue.

Session times will be Saturdays and Sundays:

- 9am to 11.30am
- 12 noon to 2.30pm
- 3pm to 5.30pm
- 6pm to 8.30pm (Also available Friday nights. Evening games are only available February to October.)

This is suitable for ages 6 to adults. All players must have enclosed shoes and a hat.

To check availability and book contact Angela on 0438 588 513.
